We are pleased to recommend U.B.M. - Katarzyna Kotasińska, a manufacturer of medical furniture based in Namysłów, Poland, with whom we have been cooperating for many years.

Furniture produced by U.B.M.- Katarzyna Kotasińska are high quality. Both we as a distributor and our clients pay attention to the high quality of workmanship confirmed by the ISO 13485 certificate, functionality and a wide range of products. The company also has the necessary authorizations and documents allowing it to be used in health care units.

We are very pleased with the cooperation so far. The company U.B.M. - Katarzyna Kotasińska always answer for all individual inquiries from our clients, which contributes to the increase in satisfaction and satisfaction of our customers..

Reliability, competent staff, very good quality service, reliability and punctuality in order fulfillment and competitive prices are just some of the advantages of this company.
